CAUSE

On August 7, 2019, Castro-Marquez appeared before Your Honor for revocation proceedings. Your Honor continued Castro-Marquez on his current terms with the additional requirement he participate in the C.A.R.E. Program.

As a component of the C.A.R.E. Program, while participating in Phase I, participants are required to either reside at the residential reentry center (RRC) or at their place of residence under home confinement. At the revocation hearing the undersigned did not address this requirement with the Court.

On August 9, 2019, Castro-Marquez reported to the Probation Office and the undersigned informed Castro-Marquez of the additional requirements of either RRC or home confinement. Since the offender's home is deemed suitable home confinement appears the appropriate component while participating in Phase I. After being explained his right to the assistance of counsel and a hearing before this Court, Castro-Marquez waived those rights and has agreed to the proposed modification.

If the Court desires an alternative course of action, or requires additional information, please contact the undersigned officer at (702) 527-7278.

Respectfully submitted,

Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

Home Confinement with Location Monitoring – You will be monitored by the form of location monitoring technology indicated below for a period of 90 days, and you must follow the rules and regulations of the location monitoring program.
